

# 4" Cut Pile Seam Roller

10-170

## NONSLIP

Soft, comfortable grip  
reduces hand fatigue  
during extended usage

## DURABLE

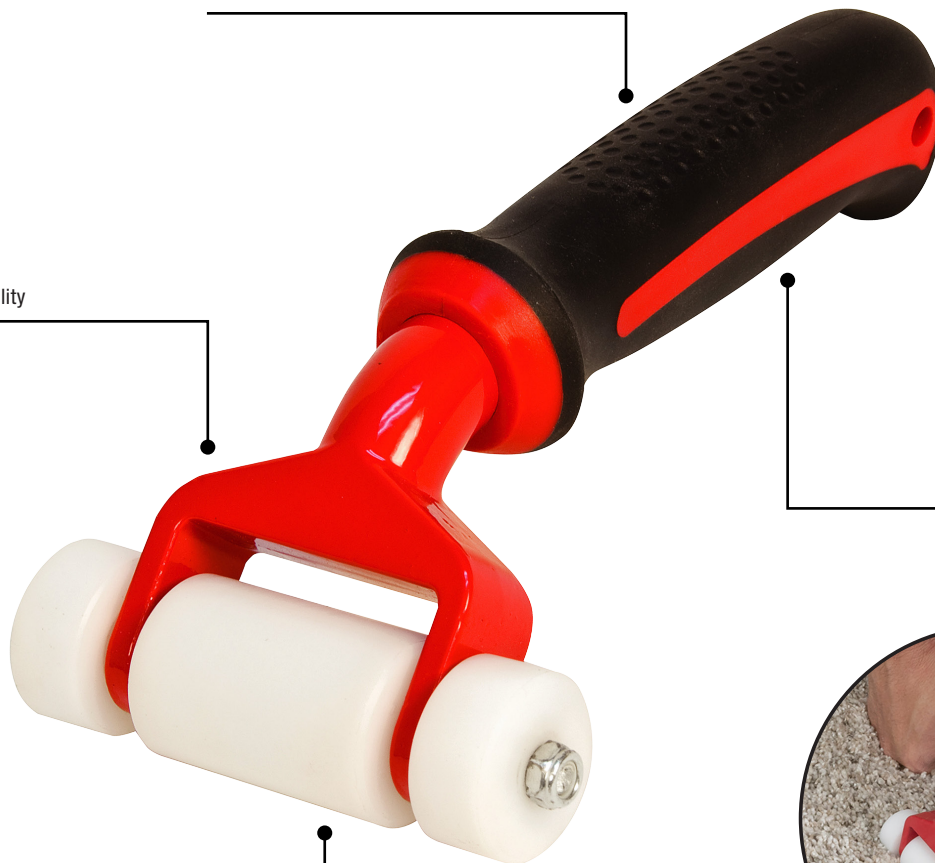

Steel frame  
for superior durability

## OPTIMUM LEVERAGE

Longer, angled handle  
provides optimum leverage  
and control of the seaming

## SMOOTH WHEELS

Solid nylon rollers effectively reduce  
pocking and deformation of carpet yarns

PRODUCT  
INFORMATION

The 4" Cut Pile Seam Roller is ideal to seam cut-pile and Saxony carpets, as well as vinyl flooring. The smooth roller head seams the carpet without fraying the yarn ends, and delivers seams that have the carpet backings flush with one another, without gaps or overlays. This is a great tool to create seams that are invisible to the eye – at great value.
