INFORMATION

Ensure the proper cut every time with ROBERTS® 10-440 Hook Blades. Engineered with heavy-duty, high-quality steel, our hooked blades are compatible with ROBERTS 10-905 (wall trimmer), and with ROBERTS utility knives (models 10-218F, 10-221 and 10-216). Each blade is precision sharpened for accurate cutting and manufactured with extremely tight tolerances to ensure the perfect fit. Sold in 10-packs, these replacement blades can return cutting tools to peak performance.
