

10-600

3/16" Crown Electric Stapler

POWERFUL

15 Amp, 1500 Watt Solenoid – the most powerful in its class

COMFORTABLE

Lightweight design and ergonomic handle with rubber grips

RUGGED

Thick die-cast aluminum housing protects the heavy gauge electrical driver components

DURABLE

Hardened "nose" piece and extra hard drive hammer assure long, reliable service

VERSATILE

Heavy 14 gauge, 12 ft. power cord for maximum power, and wider range of mobility

COMPACT

"Low profile" 6-3/4" high head allows easy access in tight places

CONVENIENT

Large plastic carrying case, with enough room for extra box of staples and other small tools

The 10-600 is, by far, the most reliable, powerful and functional stapler we have ever offered. It will outperform every stapler in its class. The power supply board was laboratory tested and outperformed all competitive brands after a 10,000 "shot" test! This rugged, reliable stapler will meet the needs of the most demanding job requirements.
