INFORMATION

ROBERTS® RUG TRACTION™ Anti-Slip Rubber Tape helps to keep rugs and floor mats in place. It is designed with a strong adhesive side that adheres to the back of the rug or floor mat, and a non-adhesive, non-skid rubber that delivers great grip and top traction, to keep rugs and mats looking neat and tidy without damaging the floor. This tape can be cut to size to provide better positioning and as much grip as needed. It is easy to apply and does not require any cleanup.
