- 2024:** Introduced partnership with Microban® as exclusive North American adhesive provider of superior mold and mildew protection
- 2024:** Introduced FloorScore Certification
- 2025:** Introduced Falcon™ Power 44 Stretcher

The quintessential American dream, ROBERTS® began with a shared vision - a vision for working smarter not harder - to more quickly and efficiently install wall-to-wall carpet. Pooling a modest sum of \$3,000 to invest in plywood, a table saw, shingle nails, pliers and a few other essentials, Roy Roberts, Hugh Livie and Ken Bishop travelled the countryside selling and training installers to use tackless carpet strips.

Decades later, with countless patents and hundreds of products available worldwide, ROBERTS continues to be recognized as the world's authority on flooring installation tools, adhesives and underlayments, earning the respect and trust of generations of carpet installers.

We take great pride in the quality and dependability of our ROBERTS products, and are committed to the evolution of these offerings to meet the needs and challenges of today's professional installers.

A Brand You Can Trust.

An iconic brand with an established market in more than 100 countries, ROBERTS capitalizes on decades of experience in the industry, fosters true partnerships with national trade affiliates and training certification partners, and is committed to exceeding your expectations - one product at a time.

- **Award-winning, multilingual Customer Service Team**
- **Expert-level technical support to receive and resolve your product and industry questions**
- **Research & Development Team dedicated to improving, advancing, enhancing, and innovating our products through best of class findings from across the globe**
- **Partnership with industry affiliates including the International Certified Flooring Installers Association, the Floor Covering Education Foundation, and the Wood Floor Covering Association among others, to support and invest in the trade**
- **600K ft² of warehouse and manufacturing space to ensure job-lot quantities and availability of replacement parts**

ROBERTS® On-Going Commitment to Sustainability

We routinely challenge ourselves to reimagine the design, packaging and construction of our products with materials that are recycled, biodegradable or otherwise earth friendly. Our most recent eco-friendly / sustainability efforts include the following:

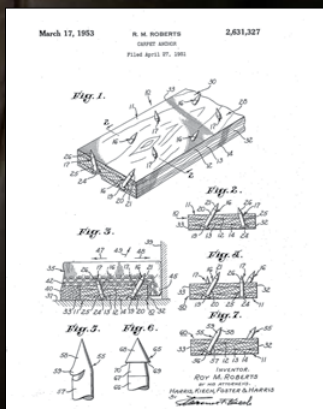

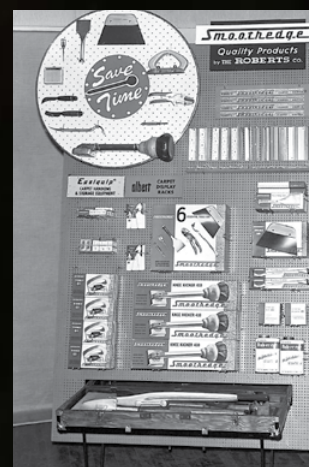

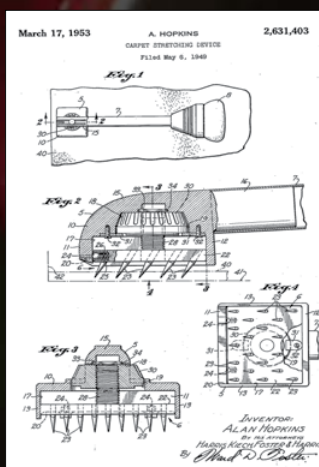

- **Removed single-use plastic from more than 210 items**
- **Replaced tens of thousands of lbs of virgin plastic with recycled plastic**
- **Eliminated 95,000+ lbs of plastic from our packaging**

THE ROBERTS CO.

Supporting Professional Installers
- Since 1938 -

UNPARALLELED COMMITMENT TO QUALITY, PERFORMANCE, AND PARTNERSHIP

At ROBERTS, success isn't solely measured in profits and price points. It is measured in the reliability of our tools, the satisfaction of our customers, and the trust placed in the brand by the professional installers and customers that use them.

QUALITY

WORLD-CLASS MANUFACTURING & INNOVATION

In pursuing this success, we have invested in building relationships with some of the world's foremost experts in industrial design, manufacturing, and tooling. Rigorous quality-assurance measures have been put in place to ensure every product that carries our brand exceeds the expectation of our customers.

PERFORMANCE

SATISFACTION GUARANTEED

At ROBERTS, customer satisfaction is paramount, which is why we offer a 'best in class' warranty program. In doing so most of our tools, underlayments, and accessories carry a limited-lifetime warranty, two-year warranty, or a one-year warranty. Visit us online at robertsconsolidated.com for individual warranty terms and details.

PARTNERSHIP

INVESTING IN OTHERS

Success does not happen by accident. At ROBERTS, success has been the result of working with passionate, like-minded people that share our commitments and goals. In partnering with installers, trade affiliates and certification partners, we not only ensure that we're developing products that meet the needs of generations of installers, we are investing in the future of the trade itself.

AFFILIATES:

WORLD FLOOR COVERING
ASSOCIATION

ROBERTS®

The Brand Most Trusted By Pros

For decades, professional installers have turned to ROBERTS® for dependable, high-performance flooring installation tools, underlayments, accessories and adhesives.

Working with industry experts, including certified trainers and top tradesman in their field, ROBERTS has elevated our offering to include the latest technologies, the most innovative design and craftsmanship, and the most installer-requested features.

It's no wonder why ROBERTS continues to be an industry leader and the brand most trusted by professional installers since 1938.

CARPET TOOLS

Developed with the professional installer in mind, our carpet tools are the culmination of 87 years of precision, performance and patents. From our Falcon™ Power 44 Stretcher, Power-Lok and Locking Pattern Matching Seam Repair Stretchers to The General® Knee Kicker, Cool Shield® Heat Bond Seaming Iron, and everything in between, you can expect quality and satisfaction from all of our carpet tools.

NEW

FALCON™

— POWER 44 STRETCHER —

The Falcon is the only power stretcher with a 44" tailblock to span doorways.

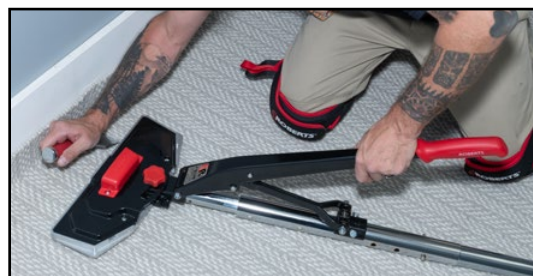

- Patent-pending tailblock features tool-free, quick-release extensions to allow a stretch across a doorjamb
- Metal cover plate with incorporated handle makes gripping and repositioning the stretcher head easier
- Installer-preferred, low-profile handle with soft grip built into the head for comfortable, extended use
- Low-profile head with side-kicking platform for use with knee kicker
- Stretch up to 38' (with the value kit) and up to 23½' (with the standard kit)
- Adjustable pin penetration for different carpet thicknesses
- Swivel head locks into 5 different stretch / pattern-holding positions

The Falcon Power 44 Stretcher standard kit includes a power unit, tail block with wheels, three 3' extension tubes, adjustable locking tube, transfer tube and the wheeled-stretcher carrying case. The Falcon Power 44 Stretcher value kit includes everything in the standard kit PLUS three additional 3' tubes, and the tube carrying case which interlocks with the wheeled stretcher case.

3-IN-1 CARPET, VINYL & UTILITY KNIFE

The 3-In-1 Carpet, Vinyl & Utility Knife is considered the premier knife among installers, largely due to its versatility. With a quick blade change, it can be used to install carpet, LVT/LVP - or as a utility knife.

- Patented insert with 3 positions according to blade type and cutting use
- NEW SWIVEL GRIP™ blade storage accommodates 20 individual blades or most 10-pack cartridges, and prevents blades from slipping through the seam
- 45° angle is optimal for scoring and breaking rigid materials
- Can be used with carpet, utility, hook, or concave blades according to need
- Ergonomic design and molded comfort grip for all-day use
- Easy flip-up thumb screw for quick blade access
- Pistol grip design and pinky hold for improved pulling power

Accommodates 20 individual blades or most 10-pack cartridges

Item No.	Description	Case Qty	Packaging
10-216	3-in-1 Carpet, Vinyl & Utility Knife	6	Peg Card

PRO DUAL-DEPTH CARPET KNIFE

The Pro Dual-Depth Carpet Knife blade, easily adjusts depth to 9/16" or 13/16" to accommodate different carpet back thicknesses.

- Patented insert provides tool-free depth adjustment
- NEW SWIVEL GRIP™ blade storage accommodates 20 individual blades or most 10-pack cartridges
- Wider thumb stop for improved leverage, comfort and control
- Ergonomic design for a more comfortable fit in your hand
- Easy flip-up thumb screw for quick blade access
- Pistol grip design and pinky hold for improved pulling power

9/16"
Depth Setting

For low-pile carpets like Berbers

13/16"
Depth Setting

For high-pile carpets like Saxonomies

Accommodates 20
individual blades or most
10-pack cartridges

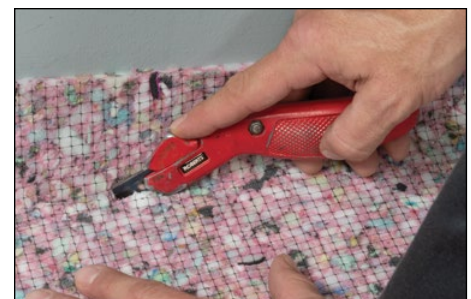

Item No.	Description	Case Qty	Packaging
10-259	PRO Dual-Depth Carpet Knife	6	Peg Card

PROFESSIONAL CARPET KNIFE

The Professional Carpet Knife is the go-to knife for professional installers.

- Special thumb-stop design provides safety and increased cutting pressure
- Easy push button for quick blade changing
- Knurled, slip-resistant grip assures firm grip
- Convenient, built-in blade storage inside the handle

Item No.	Description	Case Qty	Packaging
10-252	Professional Carpet Knife (includes 3 blades)	6	Peg Card

CUT & JAM CARPET KNIFE

Uniquely designed to serve a dual function, the Cut & Jam Carpet Knife cuts carpet with one end and tucks carpet into gullies with the other.

- Features an easy-open knob with bail, safety thumb and blade guards
- Checkered handle for a slip resistant grip
- Rugged, lightweight precision die cast aluminum
- Handle stores up to 10 additional heavy-duty slotted blades

Item No.	Description	Case Qty	Packaging
10-220	Cut & Jam Carpet Knife (includes 3 blades)	6	Peg Card

RAZOR BLADE KNIFE

Featuring die-cast aluminum construction for lightweight durability, the Razor Blade Knife quickly and efficiently cuts carpet during installation.

- Features safety guards to keep blade firmly in place
- Checkered handle for a slip resistant grip
- Rugged, lightweight precision die cast aluminum
- Handle stores additional slotted blades

Item No.	Description	Case Qty	Packaging
10-215	Razor Blade Knife (includes 3 blades)	6	Peg Card

CARPET KNIFE

Easy to control and maneuver, and featuring a blade guard for added safety, the Slotted Blade Carpet Knife is the preferred choice of DIY installers.

- Contoured handle for precise cutting and firm grip
- Extra blade storage in the handle
- Large screw assembly offers easy blade changes

Item No.	Description	Case Qty	Packaging
10-253	Slotted Blade Carpet Knife (includes 2 blades)	12	Peg Card

TACK STRIP

One of the most important tools in carpet installations, the tack strip ensures that your carpet stays locked in position. Once gripped, they help to keep the seams of your carpet tight and prevent it from stretching out of shape over time.

SMOOTHEDGE® PEEL & STICK CARPET TACK STRIP

Designed to make carpet installation quick and easy, the SmoothEdge® Peel & Stick Carpet Tack Strip instantly grips carpet and allows for immediate stretching.

- Perfect for installing carpeting over wood or concrete subfloors
- Suitable for commercial or residential applications
- Grips instantly, immediately ready for stretching
- Manufactured using Carb Phase II and TSCA title VI compliant materials
- Covers 360 lineal feet

Item No.	Description	Case Qty	Packaging
20-1450	SmoothEdge® Peel & Stick Carpet Tack Strip (3-pk) 7/8" wide x 4' long	30 Packs (90 each)	Display Carton

PROFESSIONAL 2" STRIP CUTTER

Forged from rugged steel construction, the Professional 2" Strip Cutter is designed to cut tack strip and architectural strip without extra effort.

- Powerful cutting force, 8-to-1 leverage
- Blade storage in handle

Blunt-blade design cuts laminate and vinyl plank flooring up to 8" wide and 10 mm thick, the 8" Laminate & Vinyl Plank Cutter is made of heavy-duty steel.

- Features blunt, no-sharp cutting edge that prevents laminate from splitting
- Non-slip grip for max comfort and superior leverage
- Sturdy, positionable V support keeps planks level while cutting

Features blunt blade to prevent splitting

Item No.	Description	Case Qty	Packaging
10-35	8" Laminate & Vinyl Plank Cutter	1	Printed Carton

REPLACEMENT FLOORING CUTTER BLADES

Featuring long-lasting 4 mm tungsten blades, ROBERTS® Replacement Flooring Cutter Blades ensure sharp, clean cutting edge.

4-IN-1 EXPANSION JOINT SPACERS

NEW

For use with floating or glue-down vinyl, laminate or hardwood flooring installations. Patented 4-sided spacers allow for 1/4" (6 mm), 3/8" (9.5 mm), and 1/2" (13 mm) expansion gaps, along the wall and 1" (25 mm) for thresholds between rooms.

- Provides space along the room perimeter to allow for expansion and contraction of flooring
- Self-bracing to remain upright throughout installation
- Made of durable, hard plastic that resist compression

Item No.	Description	Case Qty	Packaging
10-36	4-in-1 Expansion Joint Spacers (30 Count)	8	Polybag and Display Box

US Patent No. 12,024,897

PRO FLOORING INSTALLATION KIT

NEW

Ideal for use with vinyl, laminate, and hardwood flooring installations, the Pro Flooring Installation kit is designed for floating or glue-down installations.

Kit includes: 4-in-1 Expansion Joint Spacers, Universal Tapping Block, Wide Angle Pull Bar, and a Double-Faced Mallet

Item No.	Description	Case Qty	Packaging
10-43	Pro Flooring Installation Kit	6	Printed Carton

FLOORING INSTALLATION KIT

The Flooring Installation Kit is used to install tongue and groove flooring as well as glue-down and floating floor applications.

Kit includes: Tapping Block, Pull Bar, and Wedge Spacers

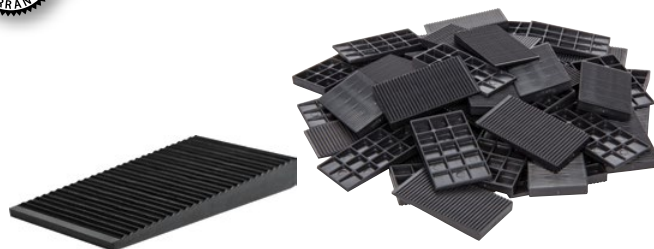

Item No.	Description	Case Qty	Packaging
10-26	Flooring Installation Kit (30 Wedge Spacers)	10	Printed Carton
10-28	Flooring Installation Kit (50 Wedge Spacers)	6	Printed Carton

EXPANSION JOINT WEDGE SPACERS

Expansion Joint Wedge Spacers are designed to create space between the floor material and wall in floating flooring installations.

- Prevents flooring from moving during installation
- Made of durable, hard plastic that resist compression
- Serrated surface locks wedge spacer into position once plank is placed against it

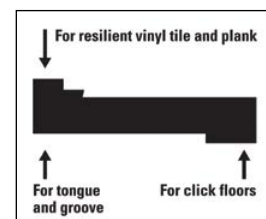

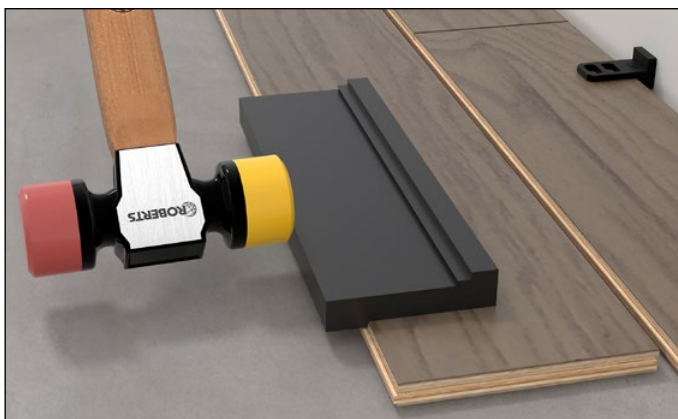

Item No.	Description	Case Qty	Packaging
10-27	Expansion Joint Wedge Spacers (30 wedges)	6	Polybag

UNIVERSAL TAPPING BLOCK

Uniquely engineered with dual-purpose edges, the Universal Tapping Block is specifically designed for resilient vinyl tile, plank flooring, tongue and groove floors, and click-lock floors.

- Two-sided design accommodates click-lock or tongue and groove flooring
- Protects flooring edge from damage

Combination Edge Design

Item No.	Description	Case Qty	Packaging
10-25	Universal Tapping Block	8	Label

DOUBLE TAP® REVERSIBLE TAPPING BLOCK

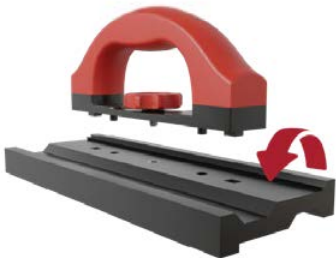

ROBERTS® patented 10" Double Tap® Reversible Tapping Block is designed to push flooring planks together without damaging the joining grooves of the flooring or your fingers.

- Double-sided with notches designed for tongue and groove, as well as click-lock laminate, engineered wood, or vinyl tile planks
- D-handle can be removed and reattached to either side of the block depending on flooring type installed
- Offset handle keeps hands and fingers away from strike zone

US Patent No. 12,188,242

THE MAVERICK® WIDE ANGLE PULL BAR

ROBERTS® THE MAVERICK® Wide Angle Pull Bar helps tighten seams during laminate, vinyl and wood flooring installation.

- Triangle-shaped head can better withstand the strike force of a mallet than standard N-shaped pull bars
- Extra-long 16" length for better maneuverability
- Reaches against a wall cabinet, toe kick or other hard to reach spaces where a tapping block will not fit
- Forged from premium steel construction for durability
- Soft felt pads protect against damage to floors

Item No.	Description	Case Qty	Packaging
10-018	The Maverick® Wide Angle Pull Bar	6	Label and Display Box

PRO PULL BAR

Forged from premium steel construction, the Pro Pull Bar is used to gently pull together planks of floating floors and glue-down installations of all brands of tongue and groove flooring. Ideal for use in tight spaces, and against walls.

- 16 1/2" long, angled profile allows planks to be tapped together in tight areas and at walls
- Premium steel construction
- Soft felt pads protect against damage to floors

Item No.	Description	Case Qty	Packaging
10-18-8	Pro Pull Bar	8	Label

BEST IN CLASS FOR BOND STRENGTH

NEW

PRESSURE SENSITIVE
TRANSITIONAL

MOISTURE
RESISTANCE

SHELF LIFE
2 YEARS

LIFETIME
WARRANTY*

*Based on installation by an industry certified installer.

Introducing **ROBERTS® 6399**, a **NEW** transitional adhesive which consistently outperformed top competitors among installers for unparalleled shear and peel strength. Very aggressive and high tack, ROBERTS 6399 installs like a pressure-sensitive adhesive, but firms as it cures to form a more permanent bond. Versatile, ROBERTS 6399 can be used for wet-set or pressure-sensitive installations across a wide array of resilient floor types / carpet tiles. Superior bond strength reduces flooring movement (shifting, buckling, and gapping) even under heavy rolling loads.

UNIVERSAL TOOLS

One of the greatest attributes of a tool in an installer's toolbox is its ability to be used in numerous installation environments or for different types of projects. With this versatility in mind, we offer heavy cargo dollies and Dual Air Glider, knee pads, scrapers and other tear-out tools to help transport furniture / heavy equipment, remove unwanted flooring debris, and prepare subfloors for new installation projects.

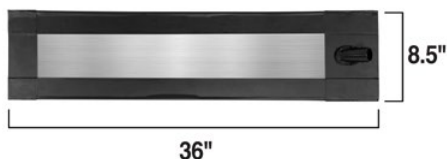

NEW

DUAL AIR GLIDER

Functioning much like a hovercraft, the Dual Air Glider can lift up to 800 lbs. to transport furniture, appliances and machinery without damaging floors.

- 1.75 (120 V) HP blower provides a 800 lbs. lift capacity
- 8½" x 36" dual vacuum platforms
- Improved motor output connector
- Polypropylene slider boards for moving over carpet and other porous surfaces
- Includes carrying case
- Lifts up to 800 lbs.

For use on hard surfaces (i.e., concrete, wood, etc.)

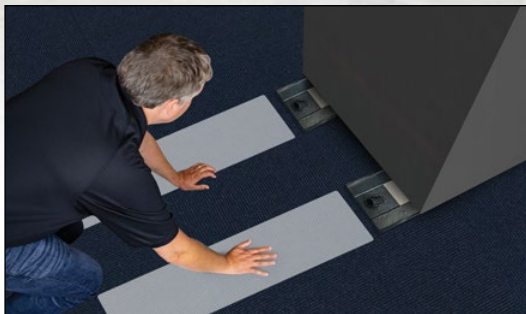

For use on soft, porous surfaces (i.e., carpet, vinyl, etc.)

Item No.	Description	Case Qty	Packaging
10-485	Dual Air Glider (120 V)	1	Plain Box

Includes two 9"x 38" polypropylene slider boards for lifting on carpet

Lifts up to 800 lbs.

HEAVY CARGO DOLLIES

Expertly manufactured for transporting heavy loads. The Heavy Cargo Dollies are ideal for moving rolls of carpet, sheet goods, furniture, appliances and equipment.

- Each dolly holds up to 1,000 lbs.
- Made from heavy industrial steel, with welded and bolted construction
- Extends from 24" to 33" with spring-loaded lock pins
- 3" heavy-duty ball bearing, non-marring polyurethane wheels make transporting easier and faster

PRO COMFORT KNEE PADS

NEW &
IMPROVED

Specifically designed for installers, Pro Comfort Knee Pads provide cushioning and support to knees.

- 25% increase in strap length, and improved design for fit and durability
- Heavy-duty foam padding conforms to knees, providing stability while kneeling
- Extra-wide padded upper strap lessens impact during knee kicking
- Premium-grade neoprene is comfortable, washable and won't pinch the skin

Item No.	Description	Case Qty	Packaging
79034	Pro Comfort Knee Pads	6	Peggable Hang Card

HARD CAP KNEE PADS

Skateboard-style pads, Hard Cap Knee Pads help prevent knee injury and provide comfort while installing carpet.

- Hard cap glides easily on soft flooring
- Nylon fabric with foam cushion for comfort
- Adjustable hook and loop straps ensures the right fit

Item No.	Description	Case Qty	Packaging
79023-6	Hard Cap Knee Pads	6	Peggable Hang Card

CARPET PULLER

The Carpet Puller is ideal to tear out and remove glued-down carpet (without a pad), double glued-down carpet (with a pad) and stretch-in carpet installations.

- Serrated clamps ensure firm carpet grip, ideal for removing carpet
- Die-cast aluminum provides maximum pulling power
- Large comfortable handle for improved grip

Item No.	Description	Case Qty	Packaging
10-10	Carpet Puller	2	Peg Card

⚠ WARNING: Birth defects and reproductive harm - www.P65Warnings.ca.gov. See P. 81, *Prop 67 - 2.

PRO MINI PRY BAR

Made of high-carbon forged steel, the Pro Mini Pry Bar is ideal to remove base molding and tack strip.

- 32° angle provides ideal leverage to remove 1" nails
- Deep bevel nail slot for easy nail removal
- Versatile 10½" tool is built to last and small enough to fit in your toolbox

32°
IMPROVED ANGLE

Item No.	Description	Case Qty	Packaging
10-503	Pro Mini Pry Bar	3	Pegged Hang Card

20-OZ. RIPPING HAMMER

Featuring a contoured handle and American hickory construction, the 20 oz. Ripping Hammer provides optimal strength and minimizes impact shock while installing new tack strip.

- Long straight claw is ideal for pulling up old tack strip
- 14" long and 20-oz. head

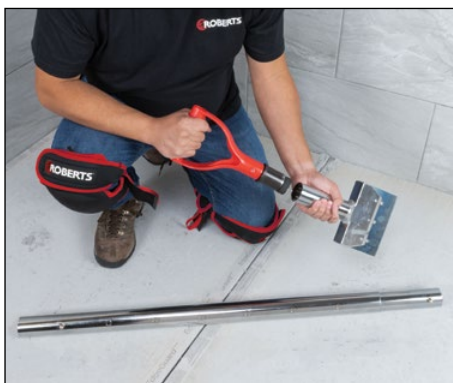

Item No.	Description	Case Qty	Packaging
10-114	20 oz. Ripping Hammer	6	Printed Carton

HEAVY-DUTY 6" CONVERTIBLE SCRAPER

Rugged and dependable, Heavy-Duty 6" Convertible Scraper with adjustable handle is the ideal tool to remove adhesive, carpet, tile and other flooring materials.

- Easily converts to a stand-up scraper with the addition of a stretcher extension tube (sold separately)
- Action lock handle adjusts 360° to any position
- Comfortable molded handle maximizes thrust and conserves energy

Item No.	Description	Case Qty	Packaging
10-195	Heavy-Duty 6" Convertible Scraper	1	Carton
10-195-01	Replacement: 6" Hardened Steel Blade	1	Carton
10-230-10	Accessory: 3' Steel Stretcher Tube	1	Carton

4" FLOOR AND WALL SCRAPER & STRIPPER

4" Floor and Wall Scraper & Stripper is the ideal tool for stripping floors and walls, as well remove adhesive, paint and other installation residues.

- Angled head provides "clean shaving" cutting action
- Features three blade clamp screws for maximum blade holding power

Item No.	Description	Case Qty	Packaging
10-194	4" Floor and Wall Scraper & Stripper (12" Handle)	10	Clamshell
10-294	4" Floor and Wall Scraper & Stripper (18" Handle)	10	Clamshell

STAND-UP SCRAPER

The Stand-Up Scraper is ideal to remove old adhesive, vinyl, carpet, tile and other floor covering materials. Sturdy construction with an 8" hardened steel blade.

- Deluxe cushioned grip handle, adjustable from 3' to 6'
- Sturdy construction with an 8" hardened steel blade and locking cam
- 15° angled head reaches underneath toe kicks and other small spaces

Item No.	Description	Case Qty	Packaging
10-296	Stand-Up Scraper	6	Peg Wrap

PRO FLOOR & WALL SCRAPER

The heavy-duty construction of the Pro Floor & Wall Scraper removes tough materials like stubborn glue and old flooring material, leaving surfaces smooth and prepped.

- Ball cap fits in the palm of your hand for comfortable scraping
- Designed for less user fatigue
- Ideal for a variety of wall and floor stripping applications

Item No.	Description	Case Qty	Packaging
10-188	Pro 4" Floor & Wall Scraper (18" Handle)	6	Pegged Hang Card

MOZART WELD ROD TRIMMER

- Includes swiveling MOZART spacer claw, eliminating need for guide plate
- No sharpening needed
- Includes interchangeable, industrially manufactured, economical trimming blades

Item No.	Description	Case Qty	Packaging
10-1600	Mozart Weld Rod Trimmer (Canada Only)	1	Carton
10-8678	Replacement: Mozart Trimmer Blades (5 Pack Card)	10	Carton
10-8679	Replacement: Mozart Trimmer Scraper Claw (0.5 mm)	10	Carton
10-8700	Replacement: Mozart Trimmer Scraper Claw (0.7 mm)	10	Carton
10-041	Replacement: Fixing Attachments (1 Screw & 3 Washers)	10	Carton

Canada Only

FLOOR & WALL SCRAPER BLADES

Floor & Wall Scraper Blades are made of precision ground high speed carbon steel blade for sharpness and durability to yield professional results.

Item No.	Description	Case Qty	Packaging
10-442-10	4" Floor & Wall Scraper Blades (4" long x 0.15" thick) 10 packs of 10 Blades: 100 Blades For use with 10-187, 10-188, 10-194, 10-294 and all standard 4" scrapers	10	Hang Cards
10-458	8" Floor & Wall Scraper Blades (8" long x 0.74" wide x 0.15" thick) 10 packs of 1 Blade: 10 Blades For use with 10-296 and all standard 4" scrapers	1	Peggable Card

DELUXE GRIP POUCH

The Deluxe Grip Pouch holds tools firmly in place with special leather insert grips.

- 100% double-stitched leather for extended wear and longer product life
- Slotted to fit directly on a belt
- 7½" x 4½" x 3/4" with one large pocket

Item No.	Description	Case Qty	Packaging
10-260	Deluxe Grip Pouch	12	Pegged Card

made in
USA

CHALK & LINE REEL

The Chalk & Line Reel ensures straight lines and installations on a variety of building applications.

- 100' abrasion-resistant poly line
- Robust steel handle and large center hub for increased durability, strength and torque
- Tear-drop shape for use as a plumb bob

Item No.	Description	Case Qty	Packaging
10-303S	Chalk & Line Reel	6	Carton
10-321	Replacement: White Chalk Refill (8 oz.)	24	Carton

30' TAPE MEASURE

Durable and easy to read, the 30' Tape Measure can be used indoors and outdoors.

- Rugged case with red rubber jacket
- Larger numbers for improved readability
- Strong spring return; thumb lock and steel belt clip
- The 1" blade is steel acrylic coated to ensure durability

Item No.	Description	Case Qty	Packaging
10-140	30' Tape Measure	12	Pegged Card

* **IIC** measures sound such as moving furniture and walking. **STC** measures sound such as voices and television. Minimum sound rating required by most building codes and architects is 50. **R-Value** is the rating used to measure resistance to heat flow. **Δ Delta Rating** is the only true measurement of sound reduction from a product (not a floor assembly) in the industry.

QUIET CUSHION®

Comprised of extra fine, cross-linked foam for superior sound reduction, advanced moisture protection and improved shock absorption. Quiet Cushion® is ideal for use under engineered and laminate flooring.

- Cross-link foam prevents vapor from transferring for moisture protection and mold / mildew defense
- Progressive Foam Technology (PFT) designed for supreme sound reduction, shock absorption and cushioning
- Includes 3" overlap film and adhesive strip to join pieces and lock out moisture
- Ideal for use over radiant heated floors

* **IIC** measures sound such as moving furniture and walking, **STC** measures sound such as voices and television. Minimum sound rating required by most building codes and architects is 50. **R-Value** is the rating used to measure resistance to heat flow. **Δ Delta Rating** is the only true measurement of sound reduction from a product (not a floor assembly) in the industry.

UNISON® 2-IN-1

Unison 2-in-1® is ideal for use with laminate and engineered wood flooring. Made of 3/32" thick polyethylene foam with a top film.

- 2-mil thick top film protects from harmful moisture vapor
- Designed with a 3/32" polyethylene foam for added cushioning to improve minor subfloor imperfections and provides a layer of sound reduction
- Includes 3" overlap film and adhesive strip to join pieces and lock out moisture

SERENITY FOAM

Ideal for use under laminate and engineered wood flooring. Serenity features a 3/32" thick polyethylene foam to provide cushioning between floors or subfloors.

- Designed with a 3/32" polyethylene foam for added cushioning to improve minor subfloor imperfections and provides a layer of sound reduction
- Can be used alone in above-grade installations and in conjunction with a moisture barrier for below grade
- Adds cushioning and compensates for minor imperfections in subfloor

SOUND BARRICADE

Comprised of a crushed-proof rubber blend, Sound Barricade is designed for use under vinyl, laminate, SPC or wood flooring in floating, nail-down, staple, single glue-down or double glue-down installations.

- Rubber blend inhibits the growth of mold and mildew
- Delivers enhanced sound absorption and exceeds building code requirements
- Crush-proof rubber blend retains cushioning and shape
- Qualifies for LEED credits

MOISTURE BARRICADE

Moisture Barricade is designed for use with laminate and engineered wood flooring underlayments to provide superior moisture protection.

- 6-mil polyethylene film
- Class 1 Vapor barrier protects against moisture; required for use under SPC flooring
- Exceeds NWFA requirements for use over concrete subfloors
- Includes 3" overlap film and adhesive strip to join pieces and lock out moisture

SILICONE MOISTURE BARRIER

Silicone Moisture Barrier meets the perm ratings recommendation by the National Wood Flooring Association for staples and nail-down installations of solid and engineered wood floors.

- Made from 100% recycled contents that are environmentally safe, and a baked silicone coating
- Reduces vapor flow without trapping moisture
- Helps to reduce dust and noise levels

70-198	Silicone Moisture Barrier (200 sq. ft. Roll) 30.75" x 72'	6	Label

AQUABAR® "B" MOISTURE VAPOR BARRIER

Aquabar® "B" Underlayment is extremely effective in protecting against moisture damage. Recommended for use beneath wood flooring, ceramic, and stone veneer, or as a membrane on walls and countertops.

- Slows moisture migration, prevents flooring from buckling, cupping or cracking
- Meets CA01350 indoor air quality standards

Item No.	Description	Case Qty	Packaging
70-195	Aquabar® "B" Moisture Vapor Barrier (500 sq. ft. roll) 36" x 167'	1	Polybag

WAXED PAPER ROLL UNDERLAYMENT

Waxed Paper Roll is recommended for the installation of hardwood and engineered nail-down flooring. Ideal for reducing squeaks in wood floors.

- Made from high-quality 30 lb. heavy-duty Kraft paper for professional performance
- Allows boards to slide in place with ease on nail-down wood floors
- Perfect for nail or staple-down floors

Item No.	Description	Case Qty	Packaging
70-120	Waxed Paper Roll (750 sq. ft. roll) 36" x 250'	1	Polybag

NATURAL CORK UNDERLAYMENT

Environmentally-friendly cork underlayment is naturally hypoallergenic and contributes to a healthier indoor air quality.

- Can be used in floating and glue-down floor installations
- Environmentally friendly and naturally hypoallergenic cork
- Quiets footfalls, as well as sound transfer from floor to living spaces below
- Helps prevent the transfer of stress cracks from the subfloor to flooring surface
- Ideal for use over radiant heated floors

SPECIALTY TAPES

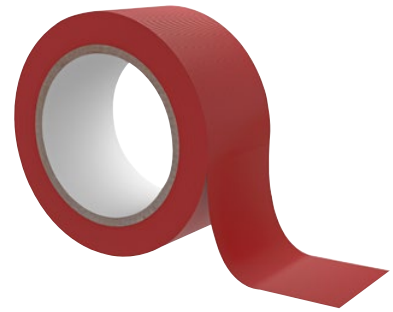

Quickly repair loose vinyl moldings, secure slipping carpets / rugs / treads, or complete household projects with our assortment of specialty tapes.

UNDERLAYMENT SEAM TAPE

Underlayment Seam Tape is ideal for joining underlayment seams under floating floors and for repairing rips during underlayment installation.

- PVC tape provides protection against moisture damage to floors
- Compatible with all brands of underlayment
- Multipurpose and versatile, tape can be used for carpet padding seams, sealing boxes and much more
- Ribbed for easier tearing

Item No.	Description	Case Qty	Packaging
50-040	Underlayment Seam Tape (1-7/8" x 100' Roll)	12	Printed Box

⚠WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov. See P. 81, *Prop 65 - 1.

MAX GRIP® VINYL FLOOR INSTALLATION TAPE

For permanent installation of vinyl flooring, wall base, stair, tread and vinyl trim.

- Ideal for modified loose lay vinyl sheet flooring installation and flooring repairs
- Heavy-duty adhesive with reinforced scrim webbing instantly bonds with no clean-up required
- For indoor use, adheres to clean and dry subfloors

Item No.	Description	Case Qty	Packaging
50-540-10	Max Grip® Vinyl Flooring Installation Tape (1-7/8" x 50')	12	Retail Box and Display Box

MAX GRIP® CARPET INSTALLATION TAPE

For the permanent installation of carpet, moldings and trim. Max Grip® Carpet Installation Tape features an aggressive acrylic adhesive for maximum holding power.

- Ideal for modified loose stair, treads and flooring repairs
- For indoor and outdoor installations

Item No.	Description	Case Qty	Packaging
50-550-10	Max Grip® Carpet Installation Tape (1-7/8" x 75')	12	Retail Box and Display Box
50-560	Home Easy Carpet Installation Tape (1" x 164')	6	Individual Wrap / Corrugate
50-565	Max Grip® Carpet Installation Tape (3" x 164')	3	Individual Wrap / Corrugate

TREAD TAPE

Anti-slip safety strip, Tread Tape provides extra traction on stairs, loading docks and ladders. Coarse, grit sandpaper surface helps prevent slipping and falling.

Item No.	Description	Case Qty	Packaging
50-585	Tread Tape Roll (2" x 15')	6	Printed Box

DUCT TAPE

Duct Tape is ideal for HVAC duct work, temporary repairs, and household use.

- Great for general repairs, projects, packing, seaming and sealing
- Pressure sensitive adhesive bonds quickly when pressed in place
- Easily tears by hand

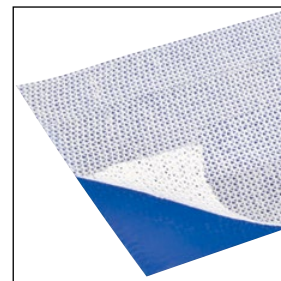

Item No.	Description	Case Qty	Packaging
50-555	Duct Tape (1-7/8" x 60 yards)	36	Printed Box

RUG GRIPPER® TAPE

Rug Gripper® offers non-slip strength to keep your rugs and mats from bunching up or sliding across the floor on tile, marble, laminate, wood and carpet. This is an anti-slip tape for indoor use.

- Safe for all floor surfaces including carpet
- Removable and repositionable

Item No.	Description	Case Qty	Packaging
50-580	Rug Gripper® Tape Roll (2½" x 25')	6	Printed Box
50-588	Rug Gripper® Tape Roll (3" x 60')	6	Printed Box

STAY 'N' PLACE® TAPE TABS

Featuring a unique dual adhesive technology, Stay 'N' Place® tabs prevent your rug corners from curling.

- Helps prevent rugs and mats (3' x 5') from moving and slipping
- Anti-skid tabs are safe to use on different hard floor surfaces
- Removable and repositionable

Item No.	Description	Case Qty	Packaging
50-547	Stay 'N' Place® Tabs 4-Pack (4" x 4")	24	Printed Sleeve

RUG TRACTION™ ANTI-SLIP RUBBER TAPE

Specifically designed with a non-slip strip for holding mats in place. Rug Traction™ Anti-Slip Rubber Tapes are easy to apply and require no clean up.

- Prevents slipping, curling and bunching, keeping rugs and mats looking neat and tidy
- Rubber composition and texture delivers great grip and top traction
- Can be cut to size, to provide better positioning and as much grip as needed

Item No.	Description	Case Qty	Packaging
50-545	Rug Traction™ Anti-Slip Rubber Tape (2½" x 25')	12	Printed Box

MERCHANDISING

Increase profitability and generate more sales with numerous merchandising options. Tabletop / retail counter displays and in aisle / end cap displays allow you to feature adhesive cartridges and wood putty repair SKUs. Rugged, 4' gondola showcases top-selling tool assortments or can be customized to suit your merchandising needs.

4' CARPET, VINYL & LAMINATE TOOL MERCHANDISING DISPLAY

FREE display with the purchase
of top selling tools.

- Designed and merchandised to deliver incremental sales at high margins
- Included header is adjustable and measures 48" wide x 10" tall
- Display measures 48" wide x 26" deep x 72" high
- Two 4' displays can be combined to create an 8' display

**\$500
VALUE**

FLOORING PUTTY COUNTERTOP DISPLAY

FREE display with the purchase of top
selling tools.

- Included header measures 8½" wide 3½" tall
- Display measures 8½" wide x 10-1/32" deep and 20-1/8" high

**\$70

ICON LEGEND

	Based on sales over the last 12 months
	This product includes a 1 year warranty which must be registered online at robertsconsolidated.com
	This product includes a 2 year warranty which must be registered online at robertsconsolidated.com
 	A patent has been filed (or is pending) for this product's design or parts
	This product is backed by a limited-lifetime warranty, provided it was installed by a qualified installer following manufacturer installation instructions and requirements
	This SKU features multiple products
	This product features a custom carry case
	This product features components that can be adjusted
	Uses carpet blades
	Uses utility blades
	Uses hooked blades
	Uses hawk blades
	Provides straight cuts on planks
	Provides diagonal cuts on planks
	Replacement parts available

UNDERLAYMENT ICON LEGEND

MOISTURE PROTECTION

Unique qualities or characteristics provide varying levels of moisture protection from basic moisture resistance to superior moisture vapor defense.

RECYCLED

Features materials that have been recycled or may be recycled.

MOLD & MILDEW DEFENSE

Moisture-resistance qualities provide protection against the growth of mild, mildew and odor-causing bacteria

CUSHIONING & LEVELING

Superior craftsmanship / product design provides qualities that resist compression, support and protect locking systems, absorb shock to improve cushioning, and level minor subfloor imperfections.

RADIANT HEAT

Ideal for use with radiant heating floors. Its inclusion helps to remove some of the chill from floors in the winter.

EASE OF INSTALLATION

Adhesive strip and overlap film links multiple rolls and helps ensure superior moisture barrier.

SOUND CONTROL

Product's construction provides superior sound reduction. Sound ratings are measured as IIC, STC, or Delta. IIC measures sound such as moving furniture and walking, STC measures sound such as voices and television. Minimum IIC and STC sound rating requirement is 50 according to the International Building Code.

WORLD-CLASS MANUFACTURING

ROBERTS® WARRANTY

At **ROBERTS®**, customer satisfaction is paramount, which is why we offer a best in class warranty program. In doing so most of our tools, underlayments, and accessories carry a limited-lifetime warranty, two-year warranty, or a one-year warranty. This warranty does not cover accidental damages, unreasonable or improper use, normal wear and tear, loss of use, or consequential damages. To ensure warranty eligibility, product registration (included with the product packaging) must be completed within 30 days of purchase. This warranty covers refund or replacement due to a defect in materials or workmanship.

Visit us online at robertsconsolidated.com for individual warranty terms and details; visit robertsconsolidated.com/warranty to register your product.

ABOUT CALIFORNIA PROPOSITION 65

Proposition 65 is a California regulatory law that requires businesses to notify California consumers about specific chemicals in the products they purchase so they can make informed decisions about protecting themselves from exposure to these chemicals. This law requires companies to properly label products that contain chemical(s) above certain threshold levels.

As part of Q.E.P. Co. Inc.'s continued best business practice and compliance program, we comply with Proposition 65 warning requirements and provide product-associated warnings. We are dedicated to meeting consumer product safety requirements applicable to our products and strive to provide high quality and safe products.

For more information on California Proposition 65, go to www.P65Warnings.ca.gov.

- *Prop 65 - 1. **⚠️WARNING:** This product can expose you to chemicals including DEHP, which is known to the State of California to cause cancer, birth defects and other reproductive harm.
- *Prop 65 - 2. **⚠️WARNING:** This product can expose you to chemicals including Lead, which is known to the State of California to cause cancer, birth defects and other reproductive harm.
- *Prop 65 - 3. **⚠️WARNING:** This product can expose you to chemicals including Nickel (Metallic), which is known to the State of California to cause cancer.
- *Prop 65 - 4. **⚠️WARNING:** This product can expose you to chemicals including Lead and DEHP which is known to the State of California to cause cancer, birth defects or other reproductive harm.
- *Prop 65 - 5. **⚠️WARNING:** This product can expose you to chemicals including Quartz and Styrene, which are known to the State of California to cause cancer and Methanol, which is known to the State of California to cause birth defects or other reproductive harm.
- *Prop 65 - 6. **⚠️WARNING:** This product can expose you to chemicals including Silicia (crystalline, respirable) and Diisodecyl Phthalates which are known to the state of California to cause cancer, and birth defects or other reproductive harm.

The products, specifications, and Prop 65 Warnings listed in this catalog are current as of the printed date of this catalog and are subject to change. Access product data sheets, technical bulletins, warranties and SDS documents 24 hours a day, 7 days a week through our continuously updated website.
