

Dual-Notch Adhesive Trowel

49601 / 49602 / 49603
49604 / 49605

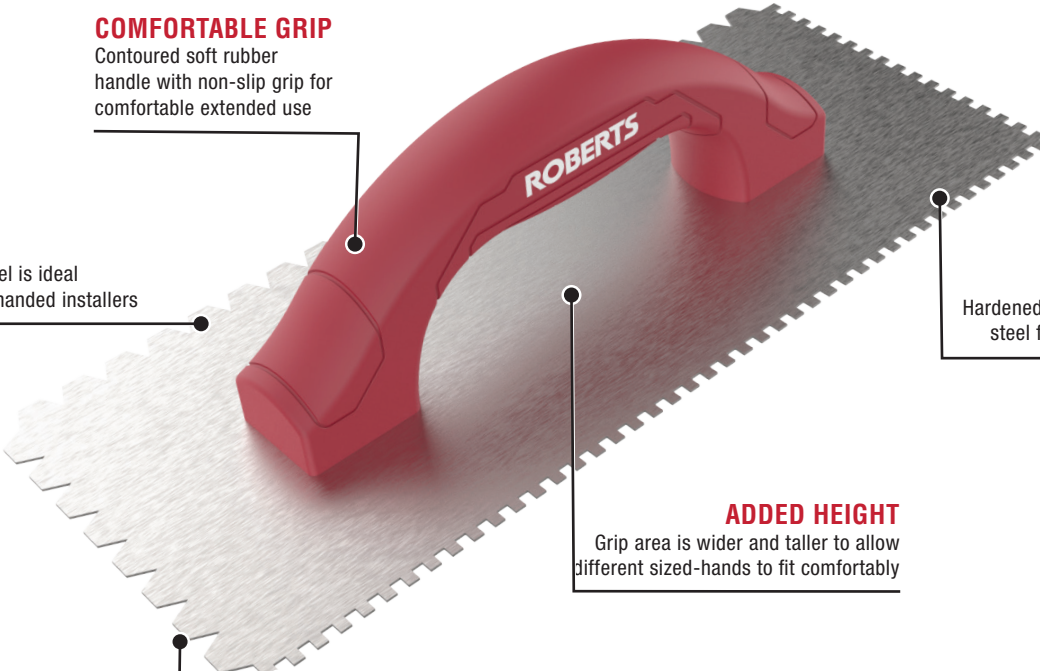

COMFORTABLE GRIP
Contoured soft rubber handle with non-slip grip for comfortable extended use

VERSATILE
Dual-sided trowel is ideal for left or right-handed installers

DURABLE
Hardened, tempered, coated steel for added durability

ADDED HEIGHT
Grip area is wider and taller to allow different sized-hands to fit comfortably

CONVENIENT
Two notches in one trowel extends use to broader range of flooring installation categories

The ROBERTS® Dual-Notch Adhesive Trowels are double-sided for applying a variety of flooring adhesives. These 11" trowels are forged from coated carbon steel and feature a soft non-slip textured grip for better control, and a contoured D-shaped handle with extended height and width to accommodate all hand sizes. Follow adhesive manufacturer's recommendation for tool notch size and style.
